

## On Genius An Evolutionary Force Inherent in Every Being

By Lee Sannella

Infinity Publishing. Paperback. Book Condition: New. Paperback. 188 pages. Dimensions: 8.2in. x 5.4in. x 0.5in. I started to write this book when I was about sixty years old but did not become really inspired to publish it until recently. It is about my work and association with many well-known and other more-hidden geniuses. My admiration for them knew no bounds. I wanted to extol them for their courage, integrity, heart and purity of vision in hopes that we may all do likewise to the end that they will be long remembered. They deserve our notice, especially for their vision. As Abraham Lincoln said, addressing us all, Without vision, the people shall perish. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
