The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Solving a case about pilfered pooches is pretty tame work for a vice cop, but when the victim is your grandmother, well the police take care of their own. Trouble is, one look at Lyric Montgomery, the PI his grandmother has hired to recover her stolen dachshunds, and Kieran Burke knows hes got a problem. Hes never been turned on so fast or so attracted to a hellion with a reputation for breaking the law. Lyric Montgomery cant believe shes falling for a cop. Shes always had a little problem staying inside the lines, and Kieran is definitely a complication she doesnt need. But his dominant, Im-in-control attitude tempts her like fire tempts a pyromaniac. Kieran may lay down the rules, but he quickly finds out that for Lyric, breaking them is half the fun, especially when it drives him crazy and evokes his special brand of punishment. As the trail heats up, it isnt the only thing burning hot enough to melt steel. Bad boy Kieran finds the only way to keep his sexy little pet detective safe may be tying her to his bed permanently.
