Reviews

It is a single of my favorite pdf. Yes, it is engage in, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

All things else on earth owe allegiance to it. Analytical reason is the supreme attribute of the human mind and to it man owes his present environment Were it not for this faculty there would he no telescope, no railroads, no boats, no telegraph, no telephone, no machinery - there would be no inventions, no progress, whatever. Long ages ago man realized that every Cause produced a responding Effect and that every Effect indicated a corresponding Cause. From these fundamental principles is builded the wonderful science of mathematics which teaches us how to take a Cause and mathematically (exactly) deduce the Effect, or to take an Effect and arrive at the Cause. All things and all conditions are the Effect of a Cause and are therefore natural, and whatever is natural is possible. We are looking for men and women who have developed this logical reasoning faculty somewhat (the greater the development, the better); who can reason from Cause to Effect and from Effect to Cause; who have learned that Suspicion and Prejudice are the children of Ignorance; who can distinguish truths from mere assertions; who can rely on their own judgment, form their own conclusions and work out their own problems. To such we offer financial independence! If you are not in this class, it will be useless for you to read further. The proper course for you to pursue is to place yourself on a brain-food diet, go back to the primer class and get a new start. You are a cipher...
