iUniverse, United States, 2007. Paperback. Book Condition: New. 211 x 140 mm. Language: English Brand New Book ***** Print on Demand *****.Long ago, an evil wizard sold his soul to the devil in exchange for supreme power. He betrayed and murdered his fellow wizards as he built an army of half-demon, half-animal overlords that marched against the forces of Videnland. The Knights of Videnland rode against this evil, along with the last remaining great wizards of their time. The forces of good exiled the evil wizard to another dimension and were victorious. This campaign became legendary, as did the heroes of that time. Now, many years later, the war has been all but forgotten. All that remains are the stories that have been passed down from generation to generation. However, the evil wizard that once threatened the land has found a way out of his prison. Renewing his war upon the realm, all that stands in his way are an old wizard and three young warriors who are destined to become legends themselves. The times ahead will determine the fate of each of these young men, who find themselves championing the fight against evil and are thrown in the middle of an epic conflict. Non-stop battle keep the action in high gear, including an amphibious assault on the Elven kingdom, a dragon-led siege on the Dwarven stronghold, and demon gladiators fighting to the death.
