He is necessarily subject to the cleansing fires of comparison with his predecessors, and such a process is not conducive to equanimity. At the best he approaches his work with a chastened spirit, and in his attempt to indicate the lines of thought which he proposes to follow he is likely to steer with uneven keel between the Scylla of mere imitation and the still more dangerous Charybdis, the whirlpool of forced originality. My first duty, then, is to steer ahead without shipwreck, while ever bearing in mind the example set by my predecessor and never forgetting that any attempt to reach new waters is fraught with perils; the perils of ignorance, of over-confidence, of pettiness of soul, of the competitive as opposed...
