## FATES OF THE ANIMALS (PAPERBACK)

Salt Publishing, United Kingdom, 2014. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book. Long-listed for the 2016 Edge Hill Short Story Prize Songs of the drowned and a dog with wings. The world was a grey place once, concrete grey and striped with grey; clay against stone. The pigeons stretched out their scrawny lives and lived as creatures must. Yet they were not hateful birds. They wore their poverty like overcoats; they sat upon the highest places and drizzled the whole world with their compassion. Their souls were dignified as tarnished spoons; pigeons bore witness to the sadness and the tearing of the wind. By turns tender and unsettling, this book lurks at the tattered edges of the world, where Satan s daughter wants to die of love and a woman is paralysed with fear in the 24-hours Tesco. There are jokes here too, and you cannot trust the ground beneath your feet. The angels keep stealing God s fags and the dog is hauled up before a kangaroo court. Fates of The Animals is a book for those who remember fairytales and the TV Test-card; those who like to feel a little uneasy; those who sometimes lie awake in the night.
