Taylor Francis Inc, United States, 2010. Hardback. Book Condition: New. 236 x 163 mm. Language: English . Brand New Book. Principles of Emergency Management and Emergency Operations Centers (EOC) provides a clear and up-to-date understanding of how an EOC should operate within the guidance of various federal and national programs. It discusses the processes and systems that must be considered in emergency planning and preparedness efforts. The culmination of more than four decades of experience, the text provides time-tested tips for those developing and revising emergency preparedness plans. The book details the requirements for appropriate training and planning, both validated by a well-designed exercise program. Stressing the importance of consistency with the various national preparedness initiatives, it includes the latest developments and best practices in the evolving field of emergency management.
