RETROCHRISTIANITY: RECLAIMING THE FORGOTTEN FAITH

Crossway, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "As the Evangelical church in America muddles its way into the twenty-first century--aimless, adrift, and uncertain about its identity--Michael Svigel wisely taps us on the shoulder and reminds us, "Look to the past." His advice couldn't be more astute. Now more than ever, the church needs to find its way forward by locating its roots in RetroChristianity." --Bryan M. Litfin, Professor of Theology, Moody Bible Institute; author, *The Sword, The Gift, and Getting to Know the Church Fathers* "Too often, churches abandon all aspects of tradition in favor of a stripped-down, watered-down worship experience that eventually leaves us let down and wishing for something . . . anything . . . that connects us to a story bigger than ourselves and our little slice of history. In *RetroChristianity*, Michael Svigel has argued well for redeeming and rediscovering a historical and substantive Christianity that can and will stand the test of time, while being nimble enough to incarnate Christ to the culture around us. This book is a well-researched and well written call to engage with historical Christianity both personally and corporately." --Philip Taylor, Executive Pastor, Terra Nova Church, Troy, NY; Regional Coordinator, Acts 29 Network Northeast "Many evangelicals are recovering their pre-Reformation roots in the early apostolic church and patristic studies. Michael Svigel has shown how pastors and churches can begin to implement this recovery and how to think about it. This is a wise and helpful book that will be exceptionally valuable to those who engage in this revitalization." --Thomas C. Oden, Professor Emeritus, Drew University; author, *Classic Christianity*; general editor, *Ancient Christian Commentary on Scripture* "Reading Michael Svigel's *RetroChristianity* is like a visit to your physician for an annual exam. It's uncomfortable....
