VIENNA'S HOT SPOTS

Falter Verlag Mai 2004, 2004. Taschenbuch. Book Condition: Neu. Neuware - 'Vienna's Hot Spots' is the guide through Vienna's trendy bars and restaurants. The gourmet expert Florian Holzer takes the visitor on twelve routes through the city, telling where to eat and drink, which hot spots to see and where to be seen. In Spain it is called 'tapeo', in Italy 'andar per godi' and in Vienna it is simply the 'Beisltour' - meaning, to go from one restaurant, pub or bar to another. The Viennese Beisl has a melting-pot quality where all ages and social classes congregate for a few drinks or a meal and is still one of the greatest institutions for going out. Beyond the Beisl, (the name derives from a Yiddish word meaning 'little house'), Vienna's culinary horizons have been broadening rapidly during the last years. A new bar, restaurant or neo-Beisl opens up almost every other week. The culinary and club scene is young and dynamic. The growing number of lounges, for example, prove that there are other ways to spend an evening than simply going for a meal. The culinary offers range from traditional style menus to Asian, Italian, Greek or French specialities and innovative fusions. The Viennese 'Beisltour' provided the inspiration for the third CITYwalk volume. 'Vienna's Hot Spots' helps to find the best and ultimate places to be. It describes the atmosphere and idiosyncrasies of the selected 'spots' and tries to capture the spirit of individual Grätzl (sub-districts) and pub conglomerates. On twelve routes the gourmet expert Florian Holzer takes the visitor on a discovery tour on foot, from one hot spot to another: to the trendy restaurants at the Graben and the very old, original Beisl in the first district, to the legendary 'Bermudadreieck' (Bermuda triangle), to the modern places in...
