Brand New Book ***** Print on Demand *****.While researching this book, the author discovered that the Moulton family of Salem, Massachusetts were even more old Salem than they thought. Eight of their ancestors were among the first small group of English immigrants to settle in Salem, or Naumkeag as it was known then, in 1626. Within three years another eight Moulton family ancestors had arrived. As he traces the lives of these early immigrants, Graham Cocks weaves a fascinating history of Salem and the Massachusetts colony, from their very beginning to the eve of the witchcraft hysteria that terrorized the community in the 1690s. The original immigrants were the remnants of a small farming and fishing venture on Cape Ann that proved to be unprofitable and was abandoned by its financial backers. Nonconformist Puritans, they hoped to found a plantation where they could live and worship as they wished without being persecuted by the leaders of the Church of England. One of the eight ancestors of the Moulton family was their leader, Roger Conant. Now known as the Founder of Salem, his statue stands opposite Salem Common. The ancestors with him were his wife, Sarah Horton, Thomas Gardner who had overseen the farming on Cape Ann, John Balch, John Woodbury, Richard Norman, his wife Florence and his son Richard. John Woodbury returned to England in 1627 to garner support for the fledgling colony and obtain legal right to the land they had settled. With his mission seemingly accomplished, Woodbury returned to Salem in June 1628, bringing his son Humphrey, another ancestor, with him. The newly formed Massachusetts Bay Company obtained the land rights and acquired all the remaining assets of the company...
