By Danny Singh

Paperback. Book Condition: New. Paperback. 181 pages. Profits support the Horizons for Homeless Children in Boston. Want to lower cholesterol levels? Want to increase your lifespan? Just want to read this book to kill time? Well, congratulations because you have found the correct book. Please do not find the number of pages intimidating because the lessons contained within this book are meant to help consumers live the most healthy lifestyle ever by teaching them the significance of avoiding drugs, cutting down on fried foods, resolving conflicts in a peaceful manner, and learning how to treat diseases with tips presented on how to avoid contracting them in the first place. Danny Singh, Financial Whiz Kid, refinanced his mother's house and car at 14 and has been doing seminars to educate students on how to detect diploma mill schools, save money by attending a community college, and repay their student loans with the least amount of interest and fees. Now he is focusing his attention on another issue. The Centers for Disease Control and Prevention has reported that heart disease and cancer are the 2 highest leading causes of death in America. In response to this epidemic, Danny advocates consumers avoiding dangerous substances, drugs,...
