Brand New Book ***** Print on Demand *****.Excerpt from An Average Man He also that had received two talents came and said, Lord, thou deliveredst unto me two talents: behold I have gained two other talents besides them. - Matt. XXV. 22. As we read over this parable of the talents our attention scarcely dwells on the middle character, - the man with two talents. He seems but a lay figure thrown in between to bring out more strongly the contrast between the extremes, - the man with five talents and the man with the one; yet I am inclined to suspect that this seemingly neutral and colorless person is the one most important for our consideration, because he represents the average individual, who, while not intrusted with great wealth or brilliant opportunities, is nevertheless not cut off from all opportunity nor shut out from every field of venture. Here in America the average man is in the majority and few belong to any other category. Some day it flashes upon most of us that we belong to that vast majority. It is a critical moment when the realization is forced home to our minds. Up to that time we have been so full of ambition or conceit as to believe our powers unlimited and everything possible. We have given to our hearts all sorts of excuses for still being unknown or in a minor position. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
