Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In 2016, the first female president was elected by U.S. voters. President Cartwright introduced policies that changed the world. 2026 brought an end to her happy reign. A mechanical-like alien species made contact with Earth and accepted invitations by global leaders to visit. The Pahnyakins quickly became hailed as saviors, assisting in world peace and teaching the people of Earth how to advance technology. 17-year-old Dresden has been living her day-to-day life surrounded by the alien race for years, but she remains largely apprehensive of the Pahnyakins, something her best friend, Dodge, doesn't quite understand. After checking on one of her experiments, Dresden wakes up on the outskirts of town and soon realizes she is no longer in the time she knows. Her small Indiana hometown, Easton, is crumbling and its people are fighting to survive in the midst of a years-long alien attack. To make matters worse, she discovers she once played a prominent role in the war to save humanity--and she has been dead for a year. In order to save Easton, stop the war against humanity, and save herself from Easton's new tyrannical leader, Dresden must learn to be the person she turned out to be before she died in the Pahnyakin Rising.
