Excerpt: . . . knowledge of mankind; but a little practical experience will improve you. No; the fools attempt was honourable, added the peer, placing an emphasis on the word honourable. Had it been a mere intrigue, Erringcourt would have shut his eyes; it was an honourable union that he feared. Fitz-Gerald expressed himself obliged by the friendly interest evinced by his lordship for his welfare; and if not determined to follow the advice to the letter, was yet sufficiently aware of its value to make it the landmark of his conduct. He was also greatly amused, not less by the frankness of his conversation than by the shrewdness and knowledge of the world which it displayed. He must have studied mankind, he thought, in a strange school, to have drawn from it such opinions and principles. His host read, or rather guessed his thoughts, and said--You think me...

Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.
