Ig Publishing, United States, 2008. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. Heading into another presidential race, We the People have to face the fact that our election system is a shambles, run by private corporations with a partisan agenda, and largely based on a technology that anyone can rig. This great book will tell you all about it--and, even more important, help us overcome it. --Thom Hartmann Before Americans get too excited about the next election, they d do well to remember the stolen elections of 2000 and thereafter. For all the talk of change, the corrupt system by which we vote remains broken. Thank heavens for Mark Crispin Miller and his contributors who call not just for awareness, but action --Laura Flanders The essays in this great collection make it clear that our democracy is in trouble. We can begin to repair our nation by restoring electoral integrity. This book points to the challenges and the possibilities of regaining our full power as voters and citizens in a democratic society. -- Dennis Kucinich Loser Take All presents cutting edge essays that diagnose a problem still ignored by much of the political establishment...
