Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

Ave Maria Press. Paperback. Book Condition: new. BRAND NEW, Holy Cross and Christian Education, James B. King, "Blessed Basil Moreau, C.S.C., founder of the Congregation of Holy Cross, had a vision to educate both the minds and hearts of students to grow in Christ's love and to use their gifts to make the world a better place. Holy Cross and Christian Education outlines the five powerful elements that uniquely define a Holy Cross education-mind, heart, zeal, family, and hope. This concise and accessible introduction articulates a compelling vision of education that encompasses a person's natural human development and moral formation with the call to Christian discipleship. It also includes a timeline of Fr. Moreau's life and the history of the Congregation, prayers, and suggestions for additional reading."
