Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearson s MyLab Mastering products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. This course is ideal for accelerating students as an alternative to the traditional developmental math sequence and preparing them for a college-level statistics, liberal arts math, or STEM-prep course. MyMathLab for Quantitative Reasoning is part of a series of MyMathLab courses built to support the New Mathways Project developed by the Charles A. Dana Center. The New Mathways Project embodies the Dana Center s vision for a systemic approach to improving student success and completion through implementation of processes, strategies, and structures built around three mathematics pathways and a supporting student success course. Quantitative Reasoning develops quantitative literacy skills that will be meaningful in students professional, civic, and personal lives. This course emphasizes using data to make good decisions, and its goal is for students to gain the mental habit of seeking patterns and order when confronted with unfamiliar contexts. The MyMathLab course designed for use with Quantitative Reasoning provides: * Interactive content to help prepare students for active classroom time* In-Class Interactive Lessons to support students through an active classroom experience, accompanied by notebook PDFs.* Homework assignments...
