Traditional media outlets, such as radio programs, television shows, and printed publications provide additional publicity for the fugitives on the list. However, with the increased use of electronic and digital technology, the FBI has turned to some nontraditional and cutting-edge techniques to publicize the fugitives on the Top Ten list. Digital outdoor billboards appearing throughout the United States now feature images of these individuals. The weekly Wanted by the FBI podcast, FBI widgets, and a cell phone application all allow the public to download the latest fugitive information at the touch of a button. As technology advances, the FBI intends to keep pace and continue using it as much as possible to profile fugitives and engage the public s help in locating them.
