Brand New Book ***** Print on Demand *****.Excerpt from *Variegated Leaves: A Book of Prose and Verse Written in Aid of the Children s Hospital* This little volume is offered by friends of the Institution, in the hope that it may quicken the sympathies and awaken the interest of those who love the younger members of society, in the welfare of The Children s Hospital. The objects of the Hospital must commend themselves to every one, - the medical and surgical care of sick children; the study of the diseases of infancy and childhood; and the instruction of young women in the nursing of sick children. An institution having such foundations must certainly possess the confidence, as it should receive the support, of a benevolent community.
