LEGION OF HONOR TEACHER-TRAINING LESSONS, VOL. 1 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Legion of Honor Teacher-Training Lessons, Vol. 1 Under the agreement entered into in 1908 between the Committee on Education of the International Sunday School Association and the Teacher-Training officers and leaders of the various Sunday-school Associations and the Denominations of the International field, all teacher-training courses were to be revised to meet the standards as fixed by this conference of leaders. To this end the Legion of Honor course has been made to conform to the International requirements as a First Standard Course, and is herewith submitted to its host of students in many States and Provinces and as an official text in some of the denominations. In the revision of the Course it has been deemed best for the convenience of students to place all lessons in one book; the twenty-five Bible studies constituting Part One, and the twenty-five Sunday-school studies Part Two. The Bible Lessons have needed slight revision, though they have stood the severe test of more than fifteen years use by many thousands of students. While in all mooted Biblical matters these lessons have followed largely the traditional view of the General Church, and have passed over in silence opposing views for the sake of the young people who are students of the Course, the author begs to admonish these students that many things in the field of Bible criticism, especially as relating to authorship and chronology, are yet unsettled, and the best an elementary course can do is to use one set of opinions and leave to the maturer study of the student the questions of doubt. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic...
