Parallax Press, United States, 2010. Paperback. Book Condition: New. 163 x 114 mm. Language: English . Brand New Book. Eco-philosopher and best-selling author Joanna Macy shares five stories from her more than 30 years of studying and practicing Buddhism and deep ecology. Gathered on her travels to India, Russia, Australia, and Tibet, these stories testify to Joanna Macy's belief that either humankind awakens to a new and deeper understanding of our interconnectedness with its planet or risks losing it. *Pass it On* tells of encounters with individuals who share very personal stories of sudden awakening, unexpected awareness, and the comingling of joy and pain. Each story is imbued with the specific cultural flavor of the places where the stories originate, but all show how each individual counts in the global need for change and awakening.
