Surely it implies that there is a God out there that is talking to us? And if he is talking to us, why is He even interested in talking to us? There is so much pain, hurt and suffering in this world, it can seem that God is often so distant. Mark Craythorn left no stone unturned while patiently and diligently searching for an answer to the question: Does God Exist. He obtained the proof that he was looking for; but it was what happened afterwards that surprised him. Subsequent assent that Jesus Christ is the Son of God followed by a number of significant encounters with the Holy Spirit changed his life forever. Mark is passionate about teaching others that God is very active in our lives and communicates to us more than we give him credit for. This book contains answers to the question: How can I hear the Voice of God. It also contains a study guide: Forty Days of Hearing God for Yourself. This is Mark s second book; the first is titled God and Email .
