THE SUNDERED WORLDS (PAPERBACK)

Fantastic Books, United States, 2011. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. The first book of the multiverse. Dorian Hawkmoon . Corum Jhaelen Irsei . Elric of MelnibonE. Over the years, Michael Moorcock has captivated readers with his unending versions of the Eternal Champion, the timeless warrior who serves the Cosmic Balance in the ongoing battle that rages between Law and Chaos through the many planes and levels of the multiverse. But what is the multiverse and what are its origins? In this essential novel, Michael Moorcock provides readers these critical answers. World War Three has come and gone, and humankind has survived its brutal past to assume its place among the stars. Yet their existence is endangered nonetheless, as their entire universe is threatening to collapse. All their hopes rest on the shoulders of Count Renark von Bek, a nobleman of extraordinary psychic abilities and carefully guarded secrets. Aided by his companions, von Bek will delve into the Sundered Worlds, a mysterious galaxy outside the space-time continuum that has materialized on the edges of known space. Inside this roving galaxy, they will uncover the secrets of the multiverse and embark upon a last desperate gamble to save humankind. But as they will soon discover, even survival comes laden with danger, as the solutions to their dilemma may also hold the final keys to their destruction . Michael Moorcock has been inducted in the Science Fiction and Fantasy Hall of Fame, named a Grand Master by the Science Fiction and Fantasy Writers of America, and received the Lifetime Achievement World Fantasy, Bram Stoker, and Prix Utopiales Awards. The Sundered Worlds is one of his earlier novels, now back in print for a new generation.
