The lectures, under the conditions of the appointment were to be published. It is clear that in India, at least, one part of the University Reader s duty is to codify existing branches of a subject rather than to impart new knowledge; the junior staff and senior students are thereby given an opportunity for a general survey of a wide field. With this object I have aimed at giving a connected sketch of what I judge to be the principal lines of research which are in progress at the present time. From what has been touched on much important work has obviously been omitted; many valuable researches have necessarily not even been touched on. In cases where two lines of investigation were regarded as...
