Reviews

It is just one of my personal favorite book. I was able to comprehend every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from Report Made to the Bureau of Steam-Engineering, Navy Department, March 3, 1883 Sir: The Herreshoff Manufacturing Company, of Bristol, R. I., having kindly placed at my disposal, for the purpose of making a limited number of experiments, the steam-yacht Siesta, just built by them for Mr. Hulbert H. Warner, of Rochester, N. Y., I accepted the offer and was able to satisfactorily complete the trials that form the subject of this report, which is respectfully submitted for the information of the Bureau. I regret I had not the assistance of a board of naval engineers, and that the trials could not be longer in their duration and more varied in their conditions. The limit of time was fixed by the fact that the vessel had to be delivered to her proprietor as soon as completed; and the want of the assistance of a board of naval engineers was supplied as far as possible by the Herreshoff Manufacturing Company assigning me a sufficient number of the best qualified persons in their employ for the purpose. During the experiments the carpenters were on board finishing the joiner work, but in all other respects the hull and machinery were in proper condition for trial. The duration of each experiment was confined to the shortest time in which reliable results could be secured, with the view of making as many experiments under different conditions as possible, and it is believed no better distribution of the limited time could be effected. Of course the entire, and by no means inconsiderable, expense was borne by the Messrs. Herreshoff, who showed in this their well-known liberality and their desire for the improvement...
