

## The Educational Talking Picture (Classic Reprint) (Paperback)

By Frederick Leonard Devereux

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Educational Talking Picture Talking pictures have already been used at various educational levels - elementary, secondary, and college. Several of them are now being made for the general course in the Division of the Physical Sciences under the New Plan of the University of Chicago. They are a regular part of the course and add in an extraordinary degree both to the interest and to the effectiveness of the presentation of the subject. It is our intention to introduce them into the general courses in the Biological Sciences and possibly into the Social Sciences and the Humanities. They are being produced through the co-operation of members of our faculty and the staff of the Erpi Picture Consultants, Inc. This co-operation between an academic group and an industrial organization is a notable feature of the enterprise and is one of the matters discussed in the volume. In these pages Colonel Devereux and his colleagues have analyzed all the phases of educational talking-picture production. They begin with the selection of the educational materials and continue through the...
