The word teacher conjures up so many conflicting images, because it is a word so rich in meaning, that revealing you're a teacher, without the chance to expound a bit on what that signifies, is like being thirty-nine years and eleven months old but telling people you're thirty-something. Too much has to be left out, which is why I wrote this book to share what it meant to me working in a public school all those years. Education in America is a huge topic, but I don't believe that enough is said in personal ways right from the trenches. Books like *UP THE DOWN STAIRCASE* by Bel Kaufman, and *TEACHER MAN* by Frank McCourt are what can truly influence teaching in positive ways, and my book falls into that category, education from the point of view of an actual teacher, not a theorist. Mr. McCourt was my present age when he published his first book, *ANGELAS ASHES*. In the autumn of 1969, I, a first-year, Indiana high school teacher of English and French, wondered if I had chosen the right career in trying to become a modern-day Mr. Chips, but I ended up staying for thirty-five years with that profession of high drama and hilarity in an ever-changing America, where both failure and triumph created who I became as a person and mentor. The book personalizes what it means to be a teacher, a student, and a parent as generations change from one to another. If there was any problem at all in teaching French to Northwest Indiana Hoosiers, it was that French was at first viewed as some kind of luxury, something frilly and totally unnecessary...
