Reviews

It is one of the best publications. It is definitely simplistic but exciting in the 50% of the ebook. I am very happy to let you know that this is basically the greatest publication I have gone through within my own existence and could be the greatest PDF for ever.

APPRENTICE HOUSE, United States, 2011. Paperback. Book Condition: New. 249 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Welcome to the inaugural issue of Proto, an annual, humanities-centered journal that will disseminate undergraduate scholarship from institutions in the mid-Atlantic region. The journal's title expresses its ethos. According to the Oxford English Dictionary, the prefix proto- connotes something that is the earliest, original; at an early stage of development, primitive; incipient, potential. At its best, undergraduate scholarship embodies all of these qualities. While it almost certainly constitutes scholarship at an early stage of development, it also has the potential to be original and innovative; the seeds of future thought often take root during the undergraduate years. We see this journal as a site for this process of germination and growth.
