It is just one of the most popular ebooks. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).

Upfront Publishing. Paperback. Book Condition: new. BRAND NEW, Rosemary Rainstorm, Lizzie Rich, Rosemary Rainstorm is a psychic. She is happy to live quietly alone keeping herself to herself and travelling around the country plying her trade at psychic fayres. She is basically content. She is also a fraud. Not a word of what she says to her clients is true. Everything is made up. That is, until a genuine spirit unexpectedly comes to her during a reading. Having always wished for this to happen, she is suddenly now not so sure. He asks, not very politely, for her help in catching his sister's murderer - and warns of more trouble to come. He is determined, persistent, loud and rude, and yet somehow persuasive enough that Rosemary finds herself with little choice but to try to help. She soon becomes embroiled in a dangerous yet comical race to catch a killer, involving the husband of the murdered woman, two very annoying policemen, relentless village gossips and the ever-present spirit who, it seems, just does not want to go away. Can Rosemary weather the storm and hope the police catch their prey, or will she find herself having to prove her own innocence in order to reclaim her peaceful life?.
