By Julie Fryer

Atlantic Publishing Co. Paperback. Book Condition: new. BRAND NEW, The Complete Guide to Water Storage: How to Use Gray Water & Rainwater Systems, Rain Barrels, Tanks & Other Water Storage Techniques for Household & Emergency Use, Julie Fryer, Water is the most important natural resource in your life you use it to drink, to water your lawn, to clean yourself, your dishes, and your clothes, and to cook. Nothing can be done in life without water, and yet if an emergency occurs, the Federal Emergency Management Agency estimates that nearly 4 in 5 Americans would be without access to clean water if a major disaster disrupted or contaminated their public water supply. It is for this reason that many individuals have looked into the possibility of utilising tanks, ponds, and other means of water storage to maintain a safe, viable source of drinking water for them and their families in the case of an emergency. This book will guide you through the process of learning more about these potential lifesaving water storage methods, the legal implications, and the financial aspects of storing your own water for future. There are numerous ways you can store water for emergency or future use;...
