BRILLIANCE AUDIO, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 165 x 137 mm. Language: English . Brand New. Locked in a deadly feud, cowboys Randy Locke and Frank Farmer have spent decades attempting to annihilate each other any time they are within shooting distance. So far, the men are even. One of Franks bullets has given Randy a permanent limp. Vain Frank wears a prosthetic ear, his own lost to Randys assault. If either of them remembers the original reason for the feud, it seems moot now. Their quest for revenge has led them on a merry chase through the Old Westthrough soon-to-be ghost towns and major cities; cattle ranches and mountain cabins; brothels and fishing boats; jailhouses and movie sets. Even their marriages have fallen victim to the feud. The story of their long-term hatred well known throughout the country, Frank and Randy are approached (separately, of course) by Abraham Cripplehorn with a proposition. With the popular Buffalo Bills Wild West show a raging success, why not publicize their next duel and sell tickets to the event? Winner take all, in more ways than one. Frank and Randy make a date for death but will they be able to wait for the show? And could it be that their decades-long thirst for revenge is the only thing they are living for? Loren D. Estleman s The Long High Noon takes the listener on a thrilling adventure, touring the Old West from the days of the trains and cattle to roads and film sets.
