FESTIVALS OF INDIA

Learners Press. Paperback. Book Condition: new. BRAND NEW, Festivals of India, Komal Mehra, India is a multicultural country, where people of different faiths live in harmony and celebrate their festivals in the spirit of fellowship and charity. Festivals link us to our tradition and culture and renew our spiritual and family bonds. This book presents a brief account of the major festivals celebrated in India by people of various religions. It is written in a unique format, as a series of letters from a grandmother to her grandchildren. The informal, conversational tone of the letters is bound to appeal to the children, who will absorb eagerly the legends and myths associated with each festival. The attractive, colourful illustrations that accompany the letters will further capture the child's imagination.
