Reviews

Absolutely among the best book We have ever study. It is actually writter in easy words instead of hard to understand. I found out this publication from my i and dad encouraged this book to find out.
(Kristina Rippin)

TO CATCH A COP

DOWNLOAD

Jacana Media (Pty) Ltd. Paperback. Book Condition: new. BRAND NEW, To Catch a Cop, Marianne Thamm, This book is an account of Paul O'Sullivan's role in helping to not only nail South Africa's most powerful policeman, but also the world's top cop. It is based on thousands of pages of emails, statements, affidavits, letters, press reports, court records and transcripts as well as interviews with O'Sullivan himself. This version provides a perspective from his point of view as a key player in the saga. While O'Sullivan's name consistently appears in almost every key breaking story around the Selebi matter, his role, for whatever reason, has been played down. The Jackie Selebi story, and the satellite narratives that orbited it, is a truly remarkable chronicle that requires commitment and stamina to grasp fully. There is so much detail, so much subterfuge, lying, dishonesty and cover-up by Selebi and his cronies that it is extremely challenging and almost impossible to pick out one comprehensive, linear thread. The drama played itself out in different layers and strata of South African society, sometimes simultaneously and often in an apparently unrelated fashion. The characters that populate the saga, apart from Jackie Selebi, include the then president of the country, his political rival, myriad crooked, corrupt businessmen, a gallery of rotten, very senior rogue cops, a phalanx of undercover intelligence operatives, two-bit hired guns, scrap metal dealers, drug and human traffickers, international criminal syndicates and a cast of thousands of common-or-garden-variety petty thugs and criminals. "Sounds like a movie," say most of those who have asked about this project. Yes, but what is startling and disturbing is that this is no fairy-tale. Those of us who have become accustomed to the commodification of crime as "entertainment" in popular television series have this need to...
