THE DISCOVERY OF AMERICA. Island and peninsula nations are always maritime nations. Spain and Portugal formed no exception to this rule. We have already seen that these two lands under Moorish and also under earlier Christian rule were the culture centres of Europe. Not even later could Inquisitors and friars, while discouraging intellectual activity, quite petrify it. So for this double reason maritime enterprise and scientific invention (both now given such impetus by the spread of international commerce) still found their focus in Spain and Portugal. Jewish Scientists in the Peninsula. In this survey we must turn back to the period before the Expulsion. Because of the high reputation of the Jews in the realm of science, especially in astronomy and mathematics, and because of the important posts of State held by them, we are almost prepared to learn that Jews...

Reviews

This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Dale Fahey MD

Absolutely one of the best book I have ever study. It is actually writter in simple terms rather than confusing. I realized this pdf from my dad and i suggested this pdf to understand.
